Class of 2008 Address

John Brinkman
President

Lauren Gastall
Vice-President

"Well guys and gals, we made it!"

Past that sentence, we didn't really know what to say in this address. It wasn't because we don't have memories, or we lack great stories to tell. It was because writing this piece symbolized the end of our high school careers. We were effectively ending an era with a piece of white-lined paper and a pen. The Class of 2008: the End of an Era. Moving on is not always easy, and as we look back at each other's photos, we remember and embrace the fun we all have had in the last number of years. With that being said, few will doubt it's time to move on, to write the next chapter in the story of our lives. "If people offer their help or widsom as you go through life, accept it gratefully. You can learn much from those who have gone before you. But never be afraid or hesitant to step off the accepted path and head off in your own direction, if your heart tells you that it's the right way for you. Always believe that you will ultimately succeed at whatever you do, and never forget the value of persistence, discipline, and determination. You are meant to be whatever you dream of becoming." Those are some wise words by Edmund O'Neill that we feel correctly signify the point we are all at in our lives. We are ready for our next journey through life in part because of the outstanding teachers and faculty at Somerset High School. They survived the rowdy Class of '08, and we believe we speak for our peers in thanking them for their guidance and support. At the end of the day, we're the class of an election year, where the end is almost here, back -to-back Case Rally wins, and Twins. We leave you now with congratulations and wishes of luck and success. Always remember, you can't fight fate. Thank you, Class of 2008; it's been our pleasure to serve you.

One Team...One Dream

Lauren Gastall
"Volleyball wasn't just a team, but a family, and we didn't have fun during the season but all year round. Thank-you girls for making these past 4 years the time of my life. I love you all."

Nicole Shea
"You need to just put the nail in the coffin."

Katie Fitzgerald
